

Get the most out of your HRO Partnership by introducing HRO solutions and services to your clients. Here are the best opportunities to connect HRO with your clients ... in other words, a “Great Fit”.

- **Sweet Spot** - companies from start up to 250 employees
- Companies currently using a PEO
- Companies currently outsourcing any of their Payroll & HR functions
- Companies looking to automate and streamline processes - recruiting process, employee onboarding, payroll & taxes, HR administration, and benefits administration
- Companies looking for better organization and faster access to critical employee data
- Companies expanding and needing compliance support
- Companies struggling with employee relations issues
- Companies looking for better organization and faster access to critical employee data.
- Startups
- VC-backed companies
- Private Equity-owned companies

We want you to see increased revenues on your books of business and get the most out of this partnership. HRO is here to help you and your clients.
